

BAD BREATH

"For months I had great trouble with my stomach and used all kinds of medicines. My tongue has been actually as green as grass, my breath having a bad odor. Two weeks ago a friend recommended Cascarets and after using them I can willingly and cheerfully say that they have entirely cured me, therefore let you know that I shall recommend them to any one suffering from such troubles." The Big Metropolitan Life Insurance Company Quits Maysville

The great Metropolitan Life Insurance Company of New York which is building the tallest building in the world and pays its President a salary of \$100,000 a year, Monday pulled up stakes and abandoned its Maysville agency. It is openly announced that the step was taken on advice from New York owing to the fact that on January 1st the City Council of Maysville increased the license from \$30 to \$100 per year.

Although the company had quite a large business in Maysville and an office force of half a dozen persons, and occupied handsome quarters in the Cox Building, yet the step was abruptly taken and the temporary agency will be established at Ripley.

Mr. Edward R. Dickerson of Paris was manager of the Maysville agency and his many friends in Maysville regret exceedingly that he will be with us no more.

Mr. H. C. Burk, assistant to Mr. Dickerson here, goes to Ripley as assistant.

Agents W. H. Lynch, H. M. Wilson, John C. Manion and Charles Reed, and the stenographer, Miss Lizzie Hamilton will remain in this city. Just what the outcome will be, as regards the thousand policy holders here, will be watched with interest.

This gives the Western and Southern a monopoly of the local field in Maysville.

To Public Ledger Subscribers.

The United States Postoffice Department has issued a ruling that after January 1st, 1908, subscribers must actually ORDER the paper every year or the paper cannot be mailed to them at second class rates. The order reads as follows:

OFFICE OF POSTMASTER GENERAL, WASHINGTON, D. C.
Order No. 807.

"Ordered, That the postal laws and regulations be amended, effective January 1st, 1908, as indicated below.

"Amend Section 434, paragraph 5, postal laws and regulations, to read as follows:

"5. "Amend Section 436, postal laws and regulations to read as follows:

"2. The right of a publisher to fix the price of his publication or to induce subscriptions by the giving of premiums, prizes or other considerations, or by clubbing his paper with other papers, or by commissions upon subscriptions obtained by agents, is not questioned, but such methods will be carefully scrutinized in respect of their effect upon the legitimacy of the subscription list as a whole and upon the question of the primary design or the publication."

"3. A reasonable time will be allowed publishers to secure renewals of subscriptions, but unless subscriptions are expressly renewed after the term for which they are paid within the following periods:

- Dailies, within three months;
- Tri-weeklies, within six months;
- Semi-weeklies, within nine months;
- Weeklies, within one year;
- Bi-weeklies, within three months;

- Bi-monthlies, within six months;
- Quarterlies, within six months.

they shall not be counted in the legitimate list of subscribers, and copies mailed on account thereof shall not be accepted for mailing at the second-class postage rate of one cent a pound."

We now respectfully request that if you are behind with your subscription that you will at once remit the whole amount due, so that all accounts can be wiped off our books.

Those not complying with this request will have their accounts placed in the hands of an attorney for immediate collection.

Remember, no DAILY PUBLIC LEDGER will be mailed to any subscriber, if delinquent or not paid in advance, after February 1st, 1908, and hereafter every subscription will be promptly stopped at expiration of time paid for.

Do you know? Does your neighbor know? Have you ever talked with anybody not a doctor or druggist who did know?

We Know!

When we tell you that every drug that we use in our prescription work or in putting up any medicines is pure we know that we speak the truth. No guessing at it. We test our drugs and know that they are pure. Remember this when your next prescription is ready to be filled.
